

# PRIMARY ASSESSMENT

When Does the Assessment Start?

**WEDNESDAY**

**MAY 18, 2016**

Form a general impression

- does the patient look sick?

What is the mental status?

- are they awake? Do they respond when you call their name? shake them or pinch them?

Can they speak?

are they breathing well or labored?

- Can they complete a sentence without stopping or are they gasping?

What is their general color

- is the skin warm and pink or pale, cold, wet?
- Look around the face and mouth.
